

## **Pledge Form for Kearns High School Welding Classes**

(Name) \_\_\_\_\_, who is enrolled in CTE Welding, will, as a part of his/her shop experience operate machines, providing that his/her parent/guardian gives written permission.

It is important that each student will be given proper instruction, both in the use of the equipment and in the correct safety procedures concerning the equipment before being allowed to operate any machinery. The student must assume responsibility for following safety practices. Therefore, it is necessary that the student subscribe to the following safety pledge:

1. I will follow all safety rules in the shop.
2. I will never use a machine without first having permission from the instructor.
3. I will not ask permission to use a particular machine unless I have been instructed in its use and have scored 100% on the safety test for the machine.
4. I will report any accident or injury to the instructor *immediately*.
5. I will wear safety glasses in the shop/lab at all times.
